FROM THE DESK *of*  
FR. DAN SHAUGHNESSY, PASTOR

Dear Brothers and Sisters in Christ,

A lot of you have stopped and asked me questions about *All Things New* <https://allthingsnew.archstl.org>, the pastoral planning study for the reorganization and restructuring of the Archdiocese of St. Louis. Many of you have asked, “Why do we need *All Things New*? How will it affect us here at St. Joseph?” As pastor here at St. Joseph, I can tell you that we are going to be just fine. There is nothing to worry about, I promise.

With that said though, we do have to go through this process as directed by Archbishop Rozanski. As the *All Things New* website clearly states:

We all know that the Church of today is not the same that it was 50, 100, or 150+ years ago, and yet we are still functioning in many ways out of the same mode of evangelization. We have inherited a great treasure of Catholic institutions from previous generations, but as the Catholic population and society have shifted over the past several decades, they are no longer as effective or sustainable as they once were.

We are closer now to 2050 than to 1950. We need to ask ourselves what our parishes, ministries and institutions need to look like in order to effectively share the faith in a way that is suitable and sustainable for the future. Hence, *All Things New* will evaluate the effectiveness of the Church in St. Louis in proclaiming the Gospel and will identify opportunities for improvement and renewal within all parishes, schools and curia offices, and agencies.

Let’s all pray for the success of this massive undertaking that will serve our Archdiocese for decades to come.

Yours in Christ,

*Fr. Dan Shaughnessy*

August 21, 2022

Dear Brothers and Sisters in Christ:

Please let me start by thanking you for your thoughtful consideration and honest feedback to our various All Things New surveys, outreach and strategic planning endeavors. Your prayers and input have been most valuable to this effort.

As I write, I'm reflecting on something the Holy Father said several years ago that remains true and especially relevant to us in the Archdiocese of St. Louis. Pope Francis said "We are not living an era of change but a change of era." The All Things New pastoral planning process is going to bring historic change to the Archdiocese of St. Louis. We know that our current model is not sustainable. As we start to look at potential plans for parishes, ministries and schools to ensure a vibrant presence and future for the Archdiocese, I'd like to update you as to where we are in the process.

In this next phase, we will begin a conversation with our archdiocesan priests and parishioners to discuss draft models, which are based on demographics, sacramental data and feedback received from the Disciple Maker Index survey and other consultative bodies. This past Friday, we presented the information we gathered and preliminary proposals for parishes to our priests to gather their feedback. Then, over the next several months, we will share updated proposals in a series of listening sessions hosted at each parish to hear your thoughts about the proposed models. ***Please let me remind you that these parish models are preliminary and will be adjusted based on your feedback.*** Specific information regarding schools will be released later.

Our goal is to implement a vision for evangelization that is accessible to all and empowers every Catholic to spread the Gospel message – today and for generations to come.

This is our primary focus as Catholics, and so I urge you all to bear this in mind as we take the next steps. We are called to collaborate as the Catholic Church rather than compete as many individual churches. I encourage you to engage with us during our listening sessions with an open heart and mind, as we continue to discern where the Lord is leading us. We will continue to update you through [allthingsnew.archstl.org](http://allthingsnew.archstl.org). May God bless you, your family and your parish community.

Sincerely yours in Christ,

Most Reverend Mitchell T. Rozanski  
Archbishop of St. Louis

**Did you know?** St. Joseph Parish Imperial has earned the special designation as an Ambassador parish.

Parish Ambassadors are generous volunteers who share their knowledge and passion for Catholic Charities of St. Louis with their own parishes. They help parishioners and parish staff understand how to access our services and help facilitate service projects, donations drives, speaker events, and other opportunities to support or learn more about Catholic Charities and our agencies. For more information, please contact your Parish Ambassador, Michaela Rodriguez at michaelamrodriguez@gmail.com.

**Did you know?**

Catholic Charities of St. Louis serves people in need throughout the archdiocese through its family of eight agencies. Today we are highlighting St. Patrick Center. St. Patrick Center transforms lives by providing housing, employment and healthcare opportunities to people who are homeless or at risk of becoming homeless.

Working collaboratively with individuals, businesses, government and other service providers, St. Patrick Center solves homelessness for individuals and families in the St. Louis region by utilizing Housing First, an evidence-based practice that solves homelessness through a combination of permanent housing and wrap-around support services.

**Volunteers: Registration Required in the Archdiocesan Safe Environment Program, Prevent & Protect**

St. Joseph Parish follows the Safe Environment Program of the Archdiocese of St. Louis. In 2020, the Archdiocese developed a system for safe environment compliance called *Prevent and Protect STL*. Everyone (clergy, employees, and volunteers) ministering to minors and vulnerable adults in the Archdiocese is required to register in this system. For those who have already attended a Protecting God's Children workshop, your previous training date will transfer to this system. In addition to attending a live Protecting God's Children workshop, all clergy, volunteers, and employees will register for an updated background screening, view two online training modules on abuse reporting, and agree to the updated Code of Ethical Conduct. Please go to <https://sjiparish.org/safe-environment> for instructions on how to register. Please contact Mary Truetken at 636-464-1013 x109 or [mtruetken@sjiparish.org](mailto:mtruetken@sjiparish.org), if you have any questions. Thank you!
