Parents' Request for Baptism			
We, the parents of (print name) _____, request Baptism for our child. We understand the seriousness of our request and the grave responsibilities that we assume by asking for Baptism. We intend to raise our child in the Catholic faith and know that we can do this only by faithfully practicing the faith ourselves. This includes regular attendance at Mass, teaching our child how to pray according to their age level, and talking about God, Jesus, and His Church at home. We know we will be the primary religion teachers of our child by what we say and how we live.
