MEMORIAL DAY

May 27, 2024

There will be one Mass at 9:00 a.m. on Memorial Day. The parish offices will also be closed in observance of the holiday.

FROM THE DESK *of*
FR. DANIEL SHAUGHNESSY, PASTOR

Dear Brothers and Sisters in Christ at St. Joseph,

Believe it or not, today is the 12th Anniversary of my Ordination to the Priesthood of Jesus Christ! Wow. Where has the time gone? That said, May 26th is the Feast Day of St. Philip Neri. I've always enjoyed reading about and thought I'd share a few things about him below:

Philip Neri was a sign of contradiction, combining popularity with piety against the background of a corrupt Rome and a disinterested clergy: the whole post-Renaissance malaise.

At an early age, Philip abandoned the chance to become a businessman, moved to Rome from Florence, and devoted his life and individuality to God. After three years of philosophy and theology studies, he gave up any thought of ordination. The next 13 years were spent in a vocation unusual at the time—that of a layperson actively engaged in prayer and the apostolate. As the Council of Trent (1545-63) was reforming the Church on a doctrinal level, Philip's appealing personality was winning him friends from all levels of society, from beggars to cardinals. He rapidly gathered around himself a group of laypersons won over by his audacious spirituality. Initially, they met as an informal prayer and discussion group, and also served poor people in Rome. At the urging of his confessor, Philip was ordained a priest and soon became an outstanding confessor himself, gifted with the knack of piercing the pretenses and illusions of others, though always in a charitable manner and often with a joke. He arranged talks, discussions, and prayers for his penitents in a room above the church. He sometimes led "excursions" to other churches, often with music and a picnic on the way. Some of Philip's followers became priests and lived together in community. This was the beginning of the Oratory, the religious institute he founded. A feature of their life was a daily afternoon service of four informal talks, with vernacular hymns and prayers. Giovanni Palestrina was one of Philip's followers, and composed music for the services. The Oratory was finally approved after suffering through a period of accusations of being an assembly of heretics, where laypersons preached and sang vernacular hymns! Philip's advice was sought by many of the prominent figures of his day. He is one of the influential figures of the Counter-Reformation, mainly for converting to personal holiness many of the influential people within the Church itself. His characteristic virtues were humility and gaiety. After spending a day hearing confessions and receiving visitors, Philip Neri suffered a hemorrhage and died on the feast of Corpus Christi in 1595. He was beatified in 1615 and canonized in 1622. Three centuries later, Cardinal John Henry Newman founded the first English-speaking house of the Oratory in London.
