### 29<sup>th</sup> Sunday in Ordinary Time

Our Gospel today conveys how we are called to imitate Jesus through humility and service. We are reminded that the Son of God became man and surrendered His

life into the hands of men so that we might be saved. The life of Jesus was centered around His Father's mission and the service of mankind. And this is how we ought to live — in imitation of Christ.

James and John wanted to ensure they had a spot in heaven with Jesus. They were concerned about themselves in that moment — “Grant that in your glory we may sit one at your right and the other at your left.” Jesus quickly reminded them, “whoever wishes to be great among you will be your servant; whoever wishes to be first among you will be the slave of all.

Our culture constantly encourages us to do what we can to get ahead in this world, to do what feels good, no matter the effects — that power, authority, and wealth should be our goals in life.

Our faith offers us something different and fulfilling — a life of humility and service. As Christian stewards, we are called to live our lives in service of God and neighbor, just as Jesus did. Our life is not about us. It is about fulfilling God's glorious plan for each one of us.

So, we must ask ourselves, are we living out God's plan for our lives? Is my life centered on Christ and those around me or is it centered on me? It can be difficult to know God's plan for our entire life. He sees the whole

picture — we only see the now. All we can do is seek Him daily. If each day is centered on Him, then our entire lives will become the work of Jesus.

### The Moral Duty of Catholic Voters

Catholics have a vested interest in the political state of their homeland. In fact, because Jesus tells us to render unto Caesar that which is Caesar's, it is the duty of citizens to contribute along with the civil authorities to the good of society in a spirit of truth, justice, solidarity, and freedom. The love and service of one's country follow from the duty of gratitude and belong to the order of charity. Submission to legitimate authorities and service of the common good require citizens to fulfill their roles in the life of the political community. (Catechism of the Catholic Church, n. 2239).

This submission to legitimate secular authorities and service of the common good means that, for Catholics, it is “morally obligatory to pay taxes, to exercise the right to vote, and to defend one's country.” (Catechism of the Catholic Church, n. 2240). Due to the nature of the proposed 3<sup>rd</sup> Amendment to the Missouri Constitution, which would ensure taxpayer funded abortions, it is especially important for Catholics to vote in this election cycle. I urge you to continue to inform yourself on the matters before us this election year. Please visit [www.mocatholic.org](http://www.mocatholic.org) for additional information.

### Eucharist for the Homebound

St. Joseph Parish is happy to offer the opportunity to parishioners who are homebound to have Holy Communion brought to them. If you are interested, we need your name, address, phone number, and the day and time that is convenient for you. We will try to accommodate your request.

Our Extraordinary Eucharistic ministers consider it a privilege to serve you. If you know people who desire this service and can't respond on their own, please do so for them.

Please email Sr. Rosemary Buttice at [rbuttice@sjparish.org](mailto:rbuttice@sjparish.org) or call 636-464-1013 ext. 106.

Saint Joseph students kept up our tradition of helping those in need when our *Sr. Christine's Food Pantry* made a request for donations of cereal. We had an excellent response from our SJS families and area Catholic schools responded to Sr. Carol's call for help as well. We thank St. Margaret Mary Alacoque School (950 boxes) and Queen of All Saints School (450 boxes) for the cereal they collected for our parish food pantry.

#### Statement of the Missouri Catholic Conference on Amendment 3 (Constitutional Right to Abortion)

We, the Catholic Bishops of Missouri, are committed to protecting the sanctity of human life in every circumstance and every stage of development. In Missouri, the dignity of life in its earliest stages is being threatened by Amendment 3, which will appear on Missouri's November 2024 ballot. This proposed amendment to our state constitution is an extreme proposal that would allow full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain.

The proposed amendment would effectively eliminate common-sense state regulations that have protected Missouri women for years. These include health and safety requirements for abortion clinics; the requirement that only a medical doctor be allowed to perform abortions in the state; and that parents of a minor be notified before she can have an abortion.

Amendment 3 would allow for unregulated abortions until viability—approximately six months into a pregnancy. After viability, the proposed amendment would create a broad mental health exception that a healthcare provider could exploit to allow abortion in the 7th, 8th, or 9th months of pregnancy.

Amendment 3 would also prohibit any type of penalty for someone who assists a person in "exercising their right to reproductive freedom". This broad protection would prohibit women and families from suing an abortion provider who harms them.

The legalization and deregulation of abortion would represent a tragic step backward in our work to protect all human life at all stages. For these reasons, we urge Catholics and all persons of good will to oppose Amendment 3.

## WHAT WOULD AMENDMENT 3 ACTUALLY DO?

### OPEN THE DOOR TO TAXPAYER-FUNDED ABORTIONS

Should Amendment 3 be enshrined in the Missouri constitution, well-funded, out-of-state groups could sue Missouri to force taxpayer funding of abortions, which is already occurring in Michigan.

### Speaker: Kay Halfmann

Kay Halfmann is a mom of 7 children and a grandma to 7 (with one on the way!). Throughout her life, Kay has had many opportunities to surrender to God's will and mercy. She keeps a (mostly) positive attitude knowing and trusting in God's generosity. And He has never failed.

Kay and her husband, Paul, founded D:6 Ministries several years ago. They speak throughout the St. Louis Archdiocese and in the Midwest. Their presentations are to parents to encourage and empower them with the tools needed to help them build their Domestic Church. They use humor and real stories to teach the importance of prayer and forgiveness in the family.

Kay also works at St. Pius X Catholic High School as the Front Office Manager. In her free time, Kay enjoys time with her children, grandchildren and friends. She likes to read and watch mind thrillers on TV. And she never turns down a dinner out!

Enjoy breakfast with your friends and make new ones!
