Feast of the Holy Family

The Holy Family experienced many of the same joys and trials that all parents and children experience today. And, so, we can look to this Family for help in our own family lives and see in them a model of stewardship in family life.

The Gospel passage from Luke starts by telling us something about Jesus’ parents: “Each year Jesus’ parents went to Jerusalem for the feast of the Passover, and when he was 12 years old, they went up according to festival custom.” This Family took seriously the stewardship of their time. The “Holy Couple” carefully observed the traditions and practice of their Jewish faith and brought up their Son to do the same. They worshiped as a family, and with their faith community. And they did so faithfully.

We can take their example to heart by making Sunday Mass attendance a priority for our families, by making prayer with our family a priority every day, by making sure that we regularly celebrate the Sacrament of Reconciliation, and by observing in our family life the feasts and fasts appropriate to the liturgical calendar. When we, as families, prioritize our time with God and worship of Him we will be imitating the Holy Family.

On this Feast of the Holy Family, let us reclaim the beauty and importance of family life. Let’s commit to steward our families well in the coming year, making time spent with God and practicing our faith the most important appointments on our family calendars. ©Catholic Stewardship Consultants

Jubilee Year of Hope

Pope Francis has announced an Ordinary Jubilee of the Year 2025. The Jubilee Year of Hope will continue until the closing of the Jubilee Year on January 6, 2026. The Jubilee has always been an event of great spiritual, ecclesial, and social significance in the life of the Church. Hope is the central message of this Jubilee that, in accordance with an ancient tradition, the Pope proclaims every twenty-five years. The very first words of the Pope’s letter come from Romans 5:5, “hope does not disappoint.” Hope is not simply wishful thinking. Hope is based on the promises of the Lord that we find in the Bible. Throughout the Church’s history, Jubilee Years have been enriched by three signs which attest to the mercy of God, the redemption by Christ, and which foster the faith and devotion of the Christian people. I encourage you to take advantage of all the spiritual opportunities this coming year. For more information visit: www.archstl.org/2025jubileeyear.

THE JUBILEE PRAYER

Father in heaven,
 may the faith you have gifted us in
 your son Jesus Christ, our brother,
 and the flame of charity
 kindled in our hearts by the Holy Spirit,
 reawaken in us, the blessed hope
 for the coming of your Kingdom.
 May your grace transform us
 into diligent cultivators of the evangelical seeds
 that make humanity and the cosmos rise
 unto the confident expectation
 of the new heavens and the new earth,
 when with the powers of Evil overcome,
 your glory shall be manifested eternally.
 May the grace of the Jubilee
 reawaken in us, Pilgrims of Hope,
 the yearning for heavenly treasures
 and pour over all the earth
 the joy and peace
 of our Redeemer.
 To you God blessed in eternity,
 be praise and glory for ever and ever.
 Amen.

Saint Joseph School
School Improvement Process 2024
Visiting Team Comments

We, the members of the Visiting Team, wish to thank the educational and parish community of St. Joseph. The school opened its hearts to us and provided us with a warm welcome. We are thankful for the hospitality and use of the school. We appreciate the kindness shown to us as we worked together on the School Improvement Process. We offer a word of gratitude to St. Joseph Parish community for their work together to ensure a safe, secure, developmentally appropriate learning environment for the students of Saint Joseph School. We commend Reverend Anthony Yates for his dedication and support of the school, faculty, staff, and the parish community. Although newly assigned, Fr. Yates has demonstrated his commitment to the school through his ongoing efforts to connect with faculty, staff, parents, and students. We offer a word of gratitude to Sr. Carol Sansone, principal of Saint Joseph School. We commend her for her faith-filled leadership as she expresses God's love through her vocation. Sr. Carol is committed to the success of Saint Joseph School and promoting a student-centered learning environment. We acknowledge and commend the faculty and staff of Saint Joseph School for providing an outstanding and academically successful environment for the students and families. The faculty is involved and impassioned about the growth of the whole child. We also commend the faculty on working together to live the mission of Saint Joseph School each day. We especially want to acknowledge the strong sense of Catholicity that is seen and felt in both the members of this community and all areas of the school facility. We commend the students of Saint Joseph School for their enthusiasm, energy, and kindness toward one another, the faculty, staff, and all visitors. They are living examples of the school's core values to instill faith, inspire excellence, foster kindness, cultivate service, and respect differences. We wish to thank all those who served on the steering committee for the School Improvement Process. We commend their tireless efforts to provide a strategic plan that will benefit this community in years to come. Finally, we offer a word of praise to the parents of Saint Joseph School. They are clear champions of the school's mission by building community and supporting the school through their time, talents, and treasures. The school improvement document is only a glimpse of the school, but through our visit, observations, and personal encounters, we were able to witness the great sense of community that is Saint Joseph School.

School Board Elections

**January 11-12
After All Masses**

Saint Joseph School Board is looking for additional board members for the 2025-2026 Academic Year starting at the January 15th Board Meeting. Below are the current candidates seeking election. If you wish to submit a late nomination for election, please send a short bio to schoolboard@stjosephimperial.org. Thank you for your consideration and continued support of Saint Joseph School and Parish.

Candidate 1 - Jennifer Runiewicz

As a retired educator with more than 25 years of experience in Catholic education from pre-K through high school as a teacher, department chair, and director of the upper school, I believe my qualifications make me an ideal candidate for a position on the school board. I have been through many changes to Catholic education throughout my career, both positive and negative. I have experienced a variety of teaching methods, assessment types, educational policies, and academic theories. In addition, I have had 2 daughters benefit from an Archdiocesan education in St. Louis. I believe it is important to have an educator on the school board to have the voice of classroom experience when making decisions and policies for the school. I appreciate your time and consideration and hope to be a part of the School Board.

Candidate 2 - Tony Rich

My name is Tony, and I've been a parishioner at St. Joseph essentially since becoming Catholic in 2012. My wife, Elise, has been a parishioner here for most of her life. Three of our five children have attended Saint Joseph School at various times, including our son Robert, who is currently enrolled. Our family is also part of St. Joseph's Catholic homeschool co-op, as we homeschool our two older children, and we have a son in public school receiving specialized services. With nearly 18 years of service in the Air National Guard and a career in finance, I hope our family's unique perspective across these three educational experiences can contribute meaningfully to the growth and success of Saint Joseph School. Thank you for your consideration!
